

5 Variables:	It_was_more_interesting Other	It_was_more_natural_sounding_tha	It_was_less_random_sounding_than	It_was_more_musical_sounding_tha
---------------------	----------------------------------	----------------------------------	----------------------------------	----------------------------------

Pearson Correlation Coefficients, N = 10		
	It_was_more_interesting	It_was_more_natural_sounding_tha
It_was_more_interesting It was more interesting	1.00000	-0.27105
It_was_more_natural_sounding_tha It was more natural sounding than the other fragment	-0.27105	1.00000
It_was_less_random_sounding_than It was less random sounding than the other fragment	-0.59332	0.29102
It_was_more_musical_sounding_tha It was more musical sounding than the other fragment	0.73470	-0.23312
Other Other	0.10762	-0.07647
